

AbstractController

```
classDiagram
    class AbstractController
    class TicketController
    TicketController --|> AbstractController
```

The diagram illustrates a class hierarchy. At the top is a white rectangular box with a black border labeled 'AbstractController'. Below it is a gray rectangular box with a black border labeled 'TicketController'. A solid blue arrow points vertically from the top center of the 'TicketController' box to the bottom center of the 'AbstractController' box, indicating that 'TicketController' inherits from 'AbstractController'.

TicketController
